Too Much Information

Author's Notes:
There\'s a meme going around LJ right now to post a list of bands and let people pick a band from the list to get a drabble written. And I liked what I did for all the requests, so here we are :)

Tico spent plenty of time wishing he could un-see things.

Like the time he walked in on David and Richie going for broke against the wall in the showers after a show.

Or the time they went at it so vigorously they actually broke David's bunk on the bus and finished up on the floor.

Which were tame compared to the time he'd walked in on Richie and David making good use of a paddle.

But he would suffer through a million of those other times to un-see *this*.

"Richie, would you please keep my drumsticks out of David?"
